DEAR SIR: I write to acknowledge the benefit I have received from the Welden Spring Water. I have been troubled with Disease of the Kidneys for many years. I have consulted some of the best physicians in the country and received no relief. Some few months since I was recommended to try the Welden Spring Water. I had not taken it long before I was surprised to see how much good it had done me. Since then I always keep it in my room and seldom drink any other water, knowing eventually it will cure me. As I am anxious that others should be benefitted by my experience, I cheerfully recommend it to all suffering with the same disease.
